

JUNIOR NEWSLETTER NO 9

Many thanks to all parents who helped us raise a great £101.00 at the Haworth Hobble. Without your help this would not have been achieved.

A date for your diary, we are aiming to take some of the juniors to the dales to tackle the Three Peaks Trail.

We are hoping they will get sponsorship for doing 1, 2 or all three of the peaks. The date is June 6th and we need to know who wants to have a go, so could you please let Loz, Richard or Wendy know if you are wanting to take part.

Further details will be given to all those who have said they want to do it nearer the time.

We also managed to raise £306.72 for Braithwaite Special School, with the mile you all ran the other week

It is that time of year again; we will be running the **Jubilee Towers Races**. Children over the age of 10 will be allowed to run, but that is on the signing of a consent form from parents and that they all have a Hi-Viz vest.

No Form No Vest No Race. This is to protect the children.

Dates of races are June 11, 18, and 25.

We also require Adults to help Marshall the course, if you can help please let Wendy know so we can work out where to place you.

Another point to be raised, very soon there will be building work starting on the new school and sports facilities. The big car park we use will become the compound for the builders, so we will have to use the car park along the front of the school, just a little further

up Greenhead Lane, you then come down the steps at the side of the garage and it will bring you to the door at CLC. **Also would you all please tell your children that they would have to be careful around the building work and track, equipment, holes etc?** Hopefully disruption will be kept to a minimum, but there is bound to be some disruption but in the end it will be worth it to us as a club.

Thanks Wendy and Loz
